

The 2019 MG Golden Jubilee National Meeting in Redlands originally had a cutoff date for registration of Friday 8th March. This date was set to allow us sufficient time to organise the 350 entrants we expected.

However, entrant numbers are down, so we have extended the cutoff date to Friday 5th April to allow for late entries.

The late fee of \$50 (as per Section 5.4 of the Supplementary Regulations) will be waived. Late entrants will have all the benefits of on-time entrants, however their details will be too late to be included in the official programme .

Regards,

Don Webster

Event Director
