

MG Car Club Mid Week Lunch Run 11th May 2023.

37 members and friends met at the Paradise hotel on a bright autumn morning for coffee and chats. We were pleased to welcome new lunch runners Elizabeth Simpson and Robert Grivell in an MGA and John Phillips who left his TD home and came in his lovely Fiat Spider. The sunny weather encouraged many hoods to be down.

At 11.30 we headed for the hills and travelled via Houghton, Forreston, Birdwood and Mount Torrens to the Charleston Hotel where 5 more members joined us for lunch. It was a perfect day for motoring and the countryside is looking great especially the views from Checker Hill Road.

As usual the Charleston Hotel fed and watered us well and many stories were told.
