

Breakfast Run to Murray Bridge

25th June 2023

By John Roach

Sunday morning started cold and damp but still 13 cars and 21 brave souls assembled for our run to Murray Bridge.

The run up the freeway was fine but as we turned off to head for Hahndorf the rain started to fall. It then kept falling until we got near Kanmantoo where the sun came out and we were greeted by a huge rainbow filling the sky in front of us. Driving into Murray Bridge the sun remained shining and we had no further rain, but there was a very strong, chill wind.

On arrival at Sturt Reserve, located alongside the river, we were joined by more cars from the "F-Troop" boosting our numbers to 18 cars and 30 people.

We were pleased to welcome Peter Dineen on the run. Peter was from the Sprite Car Club and joined us in his White Midget. Also welcomed and joining us on their first Breakfast Run were MGCCSA members Andrew and Jessica Booth in their MGF TF. We look forward to seeing all again on future runs.

Then at about 11.15, Haydn gathered his MGF & TF members together and they headed off to the "The Bend" for a lap of the track. Those of us left behind headed off to local pubs for a chin-wag about cars and the meaning of life, and to have a beer over lunch.

So once again it was a very enjoyable day out in the cars, and although the forecast was bleak, in the end the day turned out rather pleasant, so thanks to all who attended.

Attendees:

Peter Dineen	MG Midget	Sprite Car Club
Trevor & Sandy Dicker	MGA	
Gary & Velli Algate	MGA TC	
Alan & Ros Foweraker	MGB
