

JUNE LUNCH RUN REPORT

From Rodger Polkinghorne
Thursday 8 June 2023

Unfortunately not the best day for a lunch run through the Adelaide hills. The weather forecast indicated wet, windy and rainy conditions.

We had 44 MG tragics meet at the Marion Hotel for morning coffee and sign in. After collecting run sheets we headed out along Marion Road and up Tapleys Hill on wet roads although no rain. Two drivers showed true dedication in MG Roadsters – Garry Chapman in his MGF and Brian Terry in his MGB with the rest of us driving plastics. Turning off South Road we navigated up Chandlers Hill Road and into the hills. Winter is well and truly with us now and the paddocks have greened up beautifully. Passing through Clarendon we continued on through Kangarilla and onto our final destination of Meadows. Lunch was at the Meadows Hotel - a venue that has a new owner since our last visit but still with the same friendly atmosphere. The service was a little slow but all the meals were excellent pub meals with generous servings. The drive home was slow due to the wind and rain so by the end of the day the forecast turned out to be accurate,

Thanks to everyone who came and supported the run.

Next mid-week lunch will be on Thursday July 13 2023. To make a booking please contact Leigh Richter on 0405 254 699 or leighrichter@outlook.com
