

Planning for the 2024 MG National Meeting is continuing. Here is a quick update. On Friday 29 March the event opens with registration and scrutineering. This will take place at the Tamworth Regional Entertainment and Conference Centre (TRECC).

Then we will enjoy the Noggin 'N' Natter at Tamworth Town Hall. Everybody's favourite and a great way to break the ice, this event gives old friends a chance to catch up or to simply meet new ones. Don't forget this is also where the rocker cover racing will take place with prizes for the best Old No. 1 racer, the best dressed MG of any vintage and the People's Choice award.

On Saturday 30 March the action moves to the Bicentennial Park in the middle of town for the Concours. This park also hosted the concours when Sydney last held the Nat Meet in Tamworth.

The touring assembly on Sunday is an 87.1 km run. Initially, it weaves through the city of Tamworth then into the hinterland. The route crosses a number of causeways which may contain water – a bit of fun for the driver to navigate! The route passes through Moore Creek, Hallsville, Attunga, and Somerton, eventually reaching Oakburn Park motorsports complex with an opportunity to observe the speed event.
