

October Mid Week Lunch Run Report – Garry Chapman

Rain was threatened so some MG's stayed home in the garage. However we had 8 MG's and 10 other makes at the Paradise Hotel for coffee and chats. We were pleased to see newcomers John Roach and his granddaughter Elliana in his MGBGT and Rick Hopton in his MGB.

At 11.30 we headed for the hills via Cudlee Creek to Fox Hill Road which was closed due to a fatal accident. This necessitated a detour via Lobethal which didn't seem to bother anyone. We then continued via Lenswood or Balhannah and Littlehampton to Mt. Barker.

Six more members joined us at the Oak and Iron Restaurant and so we had 37 people for lunch in the very pleasant dining room.
