Two iconic South Australian Car clubs have collaborated to bring you the British Classics Tour for 2024. In the centenary year of the MG, the MG Car Club of SA joins the Historic Motor Vehicle Club to present a truly memorable touring event. The tour will take you from Port Noarlunga Football Oval to Warland Reserve, Victor Harbor via a scenic route through the Fleurieu Peninsula. You will not be disappointed by this event.

The Port Noarlunga Football Club will open specially for the tour start, with a tasty breakfast menu plus, the important element of any start, coffee and tea. The tour will finish at Victor Harbor with the other essentials for a British day, a cup of tea with scones, jam and cream.

The British Classics tour is welcomed by the City of Victor Harbor Council and has become a major attraction for Victor Harbor and the Peninsula. It is a regular event of SA's motoring calendar, finishing with a Shannons Show'n'Shine, with seven winning categories. Bring your MG out for the run and join us for a picnic or cafe/hotel meal at Victor.
