

## Breakfast Run to Nairn

Sunday 25<sup>th</sup> February 2024

By John Roach with photos by Lynden Burns

Sunday 25<sup>th</sup> February was a beautiful day and 19 cars assembled at Veale Gardens for our run to Nairne.

After a few words from John, noting corners to be careful not to miss, and with the two new members Mal Ayliffe (MGB) and John Malcolm (MG TF) looking forward to the event, we all started our engines and proceeded to the hills.

The route took us up Unley Road and past Windy Point where we were joined by Leigh and Kaye Richter in their TD. Then it was across to Stirling and on towards Balhannah. Just before Balhannah 6 of us were held up waiting for a goods train to pass, then it was on to Nairne only to be stopped by the same train at the crossing by the park that we were trying to go to.

Upon arrival at Bythorne Park we were met by 5 more Club members all having gone directly there, so all up we had 25 cars and 43 people in attendance.

A special note must be made regarding Jeannie Reynolds (Haydn's better half), who navigated the route at the head of the pack and did not get lost once, so well done! On a sadder note, David McNabb had clutch trouble in his TD and only made it to Stirling, from where he had to go home on a tray top. We hope the car gets better soon. But our thanks to Lynden Burns who stepped up and took the event photos.

Those present commented on how much they enjoyed the run and are looking forward to the March run to Lyndoch, so we look forward to seeing another good turnout.

After the Nairne breakfast was over, quite a few of the group joined fellow MG Car Club members, and motorsport fraternity, at the MSCA display at the Mount Barker Showgrounds. Dick Manning directed everyone as to where to park, following which we had a good look at all the various marques of lovely cars on display.
