

MG Lunch Run

Thursday 13th June 2024

By John and Sue Davies

With Winter now upon us we had a few regulars away trying to escape the cold weather but still had a healthy 33 members on the run. The forecast was for showers, which kept most of the MG's in the garage except for diehards Bryan and June Terry who had their MG B on the run. Well done Bryan.

We had a new start venue for coffee at Beerenberg Farm Café Hahndorf and this seemed popular as it has a large café and plenty of spacious car parking. The 45 minute run took us along the Old Princess Highway through Nairne, Brukunga and past Inverbrackie before turning back to the Oakbank Hotel for lunch in the rear dining room.

It was a warm welcome to one First time lunch runner Kath Finlay, wife of Don of MGA Fame. Also a long time welcome back for second timers Liz and Robert Simpson. We hope to see you all again soon. After a hearty lunch (going by the size of the meals I think most were not having dinner that night) we had another lovely hills drive home and not one drop of rain for the day.

The 11th July Lunch run will be organized by Mike Greenwood with a start at the Tower Hotel Magill and Lunch at the Aldgate Hotel.
