

MG MOTORSPORT SHIRT

I have had an enquiry about a new order for a Motorsport Shirt. This is a cotton based shirt, long sleeve and buttoned to the collar. It is considered suitable as a safety piece of clothing for motorsport, i.e. sprinting, hill climb etc.

I will need an order of at least 10 to make the cost of an individual shirt economical.

Please email me at cardnellis@bigpond.com with your order. Include size and number of shirts needed. From memory this the only cotton shirt available, and can only be ordered up to size 4XL.
