

MGB FOR SALE

1964 soft top rego RMG 644 - 59,124miles. Engine rebuilt in the last 12 months bored to 60 thou oversize. New camshaft, followers carburettors, clutch, battery. Good oil pressure & coolant temp. Vinyl covers & seats in good condition. New carpet and underlay (not fitted) Retractable seat belts.

Mechanically in good condition fun to drive 4 speed gearbox works well. Not Working: - RPM gauge (something to do with positive earth to negative earth conversion) Indicator stalk sloppy but still works ok. Door locks not working properly.

BODY – Car could be used on the road as is but it does need attention to the body.

Have plenty of photos which can be sent on request. Currently on historic registration which as u know is non-transferable. Selling for my father in law but have been driving it regularly.

Price \$18,500 ono
