

## **Breakfast Run to Rapid Bay Fleurieu Peninsula**

Sunday 29<sup>th</sup> September 2024

By John Roach, photos by Lynden Burns.

Considering that we had 15mm of rain overnight, it was great to have a sunny morning to greet us at Veale Gardens for the September Breakfast Run.

Twelve cars started the run, which took us along Goodwood Road, the Southern Express Way and onto South Road. From there it was through Aldinga, Myponga, Yankalilla, Normanville, to end up in Rapid Bay. On the way down we gained three more cars so a good turn-out of fifteen.

A few of the party expressed the fact that they had never been to this location before and had enjoyed the run as something new. It is always nice to hear of people being introduced to new parts of the State.

David & Pat Markwell were in their MGB for its first run after a major front-end re-build, and they were happy to report that the car was very smooth to ride in.

David McNabb was an apology and so thanks to Lynden Burns for taking the photos. Also, an apology were Alan & Ros Foweraker, however they confirmed that they were looking forward to hosting us at next month's annual run to Young Husband.

It is good to report that there were no breakdowns this run, and all returned to Adelaide after a good day out enjoying MG driving.

A special thank you to Max Sierp for coming on the run in his beautiful MG TF, as it's always great to see "T" types on our runs.

See you all next month.

Attendees:

Max Sierp	MG TF
David McNaughton	MGB
Terry Cook.	MGB
Lynden Burns & John Roach	MGB
David & Pat Markwell	MGB
Andy Furman	MGB
