

September MG Lunch Run

By John and Sue Davies

Thursday 12th September 2024

Spring was finally upon us and my order for a sunny Spring Day was delivered. This brought a good turnout of MG's mainly MG B's with a couple of cars still on the sick list as well as some drivers in recuperation phase. The run started at Marion Hotel for a coffee and chat before departing on a 50 minute run through Clarendon, the Vineyards of McLaren Flat and the Vale before reaching our lunch destination of the Old Noarlunga Hotel. With a few opting to meet at the Lunch venue numbers were boosted to over 40 members.

I would like to welcome Bronwyn and Peter Micklem who have joined the Lunch run organizing team and will be hosting their first run on October 10th. The start venue is the Republic Café at Uraidla with lunch at the Mt Torrens Hotel. Please book in with Peter if coming along.
