

OCTOBER MID-WEEK LUNCH RUN
By Peter Micklem

This Month's lunch run was from the Republic Café in Uraidla to the Mount Torrens Hotel. The route contained a mixture of steepish climbs, tight corners and good straights to allow the cobwebs to be blown out. Most of the roads were ones that we hadn't used for a while. One missing sign post created a bit of confusion, but all the starters finished up at the hotel

The perfect weather enabled us to have lunch in the beer garden, and I didn't hear any complaints about the food, the prices or the serving sizes, apart from some found them too large.

There were only 7 MG's and 32 people, but unfortunately a number of the original 40 starters were forced to pull out due to health issues.

Cheers Peter

The next lunch run will be on November 14th 2024, starting at the Republic Café, Uraidla at 10.30am, and heading to the Victoria Hotel, O'Halloran Hill for lunch at 12.15pm
