

Breakfast Run to Younghusband

Sunday 27th October 2024

By John Roach, photos by David McNabb.

We had eleven cars at the start from Veale Gardens on, what was a very good day weather wise.

The run took us up the Freeway and then off towards Hahndorf. Prior to the town however, we all managed to group together and parade the eleven cars through Hahndorf. From there it was through Littlehampton, Nairne and Kanmantoo, turning off at Monarto to go across country to Mannum and to then cross the Murray on the ferry.

The run, once again, ended at Alan & Ros's house at Younghusband where we were joined by a further nine cars, so a good turnout of 20 cars, 33 people and 2 dogs and at the venue.

As has become the order of the day, we were warmly greeted by Alan & Ros, with Alan cooking up a BBQ for all, with people bringing salads and sweets to share.

So once again our thanks to Alan & Ros for their hospitality and, as we all behaved, they have invited us yet again for next year!

Thanks also to all who came on the run, and we look forward to seeing you all, plus many others, on our final breakfast run for 2024, being to Carisbrooke Park, Salisbury.

See you then.
