

January 2025 MG Lunch

By John and Sue Davies

Thursday 9th January 2025

Happy New Year to all club members and as is customary the January Mid Week Lunch did not include a run but just a meet up for lunch at a suburban venue. This year we dined at The Junction Bistro at Morphetville. A venue that was new to quite a few people but by all accounts a good lunch was had by all. Its central location and huge car park also made it a good meeting point. A good turnout considering a few regulars were away with 37 attending although only a few MG's made the trip. It was also great to see Pat Loader join us for lunch.

Next Mid Week Lunch run will be on 13th February and Hosted by Bronwyn and Peter Micklem, Start is at The Gully Public House and Garden for coffee with a run to the Roseworthy Hotel for Lunch. Please book in with Peter if coming along.
