

## MG Lunch Run Report February 2025

We picked a perfect day for our lunch run. After a coffee at the Gully Hotel, we headed up North East Road to the top of the Hill.

We then followed the ridgeline in a roughly north direction towards One Tree Hill. This is quite a scenic route, with great views on both sides. Then down the hill, joining the Gawler bypass just south of the town. Next a quick run circling Gawler, and then the short leg up Main North Road, (or Horrock's Highway), whichever name you prefer, and we stopped at the Roseworthy Hotel for lunch. The route and venue were new to most participants, which was my aim.

The food at the Roseworthy Hotel was good, but the 28 participants overloaded the kitchen and the meal was served quite late.

Those attending were;

Brian & Joyce Stopp	MGB
Bryan & June Terry	MGB
Robin & Maxine Gibbs	MGC
